Product Description

Graide is an AI-powered assessment platform designed to streamline marking, feedback, and quality assurance across higher and further education. Their platform supports the full assessment lifecycle with a focus on speed, consistency and quality at scale.

Graide offers solutions across three key areas:

AI-Powered Marking and Feedback

- Automates repetitive marking tasks while maintaining human oversight through human-in-the-loop AI.
- Delivers consistent, high-quality feedback with reusable comments and rubrics.
- Reduces marking time by up to 75%, freeing educators to focus on value-added tasks.
- Multiple question types supported, from maths, to short text based responses, to long form essays and reports.

Quality Assurance and Standardisation

- Provides detailed analytics on marking consistency and assessor performance.
- Ensures every piece of work meets an institution's standards for fairness and accuracy.

Formative Assessment and Learner Support

- Gives students actionable feedback that helps them prepare for summative assessments.
- Enables draft submissions with instant AI feedback to support skill development.
- Monitors progress and identifies learners in need of extra support through real-time insights.

Key Features

- Reusable comment libraries: Create and share institutional feedback banks to drive consistency and save time.
- Group management: Seamlessly sync groups from your LMS/VLE for easy activity setup and tracking.
- Customisable rubrics: Apply detailed marking criteria, with support for qualitative and quantitative feedback.
- Grade passback: Automatically push marks from Graide to your LMS gradebook in one click.
- Audit trails: Full transparency over all marking and feedback actions for compliance and review.
- Explainable AI: Every AI action is visible and auditable, so staff can trust and verify the process.
- Formative feedback tools: Offer low-stakes opportunities for students to improve with automated guidance.
- Secure and compliant: Fully GDPR compliant and aligned with UK education data standards.

Graide meets global standards for data privacy, security, and accessibility. They are LTI 1.3 certified, ensuring seamless LMS/VLE integration, and their platform undergoes regular security audits to meet GDPR and UK data protection regulations.

Included

Full access to the Graide platform

- Hosting, implementation, and integration support
- Consultative pilot services (use case scoping, tailored onboarding, template design, and ongoing adoption reviews)
- Institution-wide unlimited usage
